Welcome and introductions – many new faces around the table today, so covered some intro and overview about the Sisters and ICS updates.

Started this afternoon with a manifestation at the John Alexander Hoosier 250 Tricycle Race – a kick off to Indy Pride Week. Debriefed about that event and outreach to the community. Noted that we absolutely do need to have an ICS card/postcard as we move into Pride season. Father Fellatio is going to work with new attendee Josh Thomas (he will submit a letter of intent to join ICS soon!) to design a card.

By-laws are done and PNPs are in final review – Sister Pantastic X Perience will email to all for review and feedback. After review, we can edit and then send to CoMoMs.

Josh Thomas is involved with several organizations that are established as non-profits, including a large Greek org. He has offered to help us do some fundraising under their umbrella to assist in raising funding towards our 501c3. Thank you, Josh!

Upcoming Manifestations:

June 3rd – Spencer Pride (Sister Sonata will be Point Nun)
June 10th – Indy Pride (Father Fellatio will be Point Nun)
June 17th/18th – Kentuckiana Pride (Father Fellatio and Purrr Do plan to attend)

With June being a busy month for Pride manifestations and travel, we will not hold a GM

Longer-term project raised by Father Fellatio and Purrr Do: Starbucks and ICS collaboration to fundraise \$1,500 for annual Indy AIDS Walk in September. We can each sign up as team members and do individual fundraising towards the goal.

Longer-term project: Sister Tess is moving to Nashville to pursue Medical School (Yay Tess!!!). Before she departs, she will show Purrr how to manage the website and do updates until we can identify a new webmistress/media whore. We do need a web overhaul before we go up for full-profession as a house. Let's work together to update our bios, photos, etc.

Next meeting: JULY – Date TBD
