Novice Project Proposal

1. "Sweet Tea with Eva Maria": Description: This project has two goals. These goals are to raise awareness of the Sisters of Perpetual Indulgence (both worldwide and the local Indiana Crossroads Sisters) and to shine a light on positive events and efforts occurring in Indianapolis and statewide in Indiana. This project attempts to achieve those goals through a variety-show format interlaced with the existing entertainment "Showtune Sundays" at Greg's Our Place in Indianapolis. The show is planned to occur on the last Sunday in June and to feature the Indianapolis Pride president Jeremy Turner. Eva Maria will provide Mr. Turner a series of questions that should allow Indianapolis Pride to showcase their efforts for the Pride events and festival as well as explain the benefits (if any) to the VIP tickets and high cost of not-for-profit exhibitor booths.
2. Assistance Needed: An attendee with a smartphone and access to Facebook Live will be needed to document the event and to allow access to remote viewers. This will also allow for easy archiving of the event for ICS Sistory.
3. Steps to Take: Eva Maria will contact the management at Greg's Our Place and confirm permission to stage the event and procure AV equipment needed. Eva will also provide a list of questions to Mr. Turner in advance of the event so that he may prepare responses.
