MOP Request Form/Blessings

- Discussed the purpose of the form.
- We need to get out of the habit that other houses sometimes do. Which is when Sisters get together, they just hang out with each other and not minister to the Community.
- Use this form when possible. This is a way to clarify information for the event and to put into the Archives.
- Motioned to accept form was casted by Griselda, motion seconded by Panty. Unanimous vote for form passed. Uploaded to ICS Headquarters.
- Submit form no later than a week before the event.
- Blessings:
 - Purrr suggested to not do a blessing event without a week’s notice with details of the Event to give time for the Mistress of Ceremony to write the blessing.
 - We are growing larger as a group. Unfortunately, we must cut the time it takes to do a blessing so that means 3-4 Nuns will perform blessings.
 - Purrr and Panty will be planning the Exequatur’s Blessing ceremonies.
